

| Legend | NR Listed Resource | NR Individual Resource | NR Contributing Resource | Vintage Resource* | Not NR Eligible | Urban Renewal Resource | Less than 50 Years Old |
|---|---|---|---|---|---|---|---|

*The term "Vintage" describes historic resources that do not retain adequate integrity or significance to be listed in the National Register; regardless, they enhance our understanding of the history and development of downtown Tulsa. The eligibility status of these resources might change if additional research identifies an area of significance or an important historical association or if the removal of existing alterations reveal historic materials and restores integrity.

# Findings of the Downtown Tulsa Intensive-Level Historic Resources Survey

Prepared by Cathy Ambler and Rosin Preservation for the City of Tulsa, Oklahoma
